This event, which will be of interest to HR teams, Directors / Deputy Directors of nursing, carer support organisations and those with a responsibility for staff health and wellbeing and staff side colleagues, is jointly hosted by VSNW and Health & Care Partnership for Cheshire & Merseyside.

Included on the agenda is the development of the Cheshire and Merseyside NHS Carers charter. We would particularly welcome representatives from carers organisations who are interested in contributing to this.

VSNW will also be presenting research undertaken in partnership with Leeds Beckett University Centre for Health Promotion Research and Centre for Local Economic Strategies (CLES) looking at the Informal Carer Workforce in Cheshire & Merseyside.
