

Junior Social Group: 7 – 11 years

Connect's Junior Social Group is open to children who have diverse needs which make socialising difficult, e.g. Autistic Spectrum Disorder, along with their siblings and families.

There is no cost for the activities which are designed together with children. These can include board and computer games, trips, singing etc. The group is supported by Connect's Toy and Leisure Library, with loans to children, in partnership with St Helens Youth Service.

The group runs on alternate Wednesdays 5.30 – 7.30pm

P.E.R.T.H. Community Centre,

2 Dunedin St, Thatto Heath, Saint Helens WA9 5QX
